

cIONM & (Auto)fluorescence imaging in Thyroid Surgery

6 - 7 May 2026

English

AZORG Aalst
Campus Moorselbaan
Moorselbaan 164
9300 Aalst, Belgium

CME accreditation requested

Course Management

Sam Van Slycke, MD, PhD, FEBS, Endocrine
AZORG Aalst, General and Endocrine Surgery
department, Campus Moorselbaan, Aalst, Belgium

Speakers

Assoc. Prof. Dr. Marc Kriege, DESAIC, EDIC
Dept. of Anaesthesiology, University Medicine, Mainz, Germany

Prof. Dr. Thomas J. Musholt, FEBS-ES
University Medicine of the Johannes-Gutenberg-University Mainz,
Mainz, Germany

Priv.-Doz. Dr. Julia I. Staubitz-Vernazza, FEBS-ES
AVTC, University Medicine, Mainz, Germany

Klaas Van Den Heede, MD
AZORG Aalst, Campus Moorselbaan, Aalst, Belgium

Course content

- cIONM basics with regard to technology, application and recent innovations
- cIONM system set-up in the OR; tips and tricks for the preparation of thyroid surgeries, such as tube selection and patient positioning
- optimal placing of breathing tube and electrodes; optimal nerve stimulation
- live-surgery demonstration of cIONM in thyroidectomies; if feasible, with central and (uni)lateral lymphadenectomy
- consequences of intraoperative signal changes or signal loss (change in surgical strategy)
- and much more

PROGRAM

Day 1

Registration and welcome

Video tutorials: discussions and response to questions

Introduction of patients and cases for live-surgery: Medical histories and planned surgeries for the next day

Social event

Day 2

Arrival at the designated meeting room

Changing rooms and tour of the OR

Tips and tricks for intubation when using cIONM: Tube size and adhesive electrodes

Special considerations for pediatric surgeries, tracheal resections, etc.; IONM in non-thyroid surgeries

Live surgeries

- cIONM of the N. vagus, N. laryngeus recurrens
- Intraoperative (auto)fluorescence imaging of the parathyroid glands and their vascularization

Case presentation and video demonstrations

Closing remarks

Course venue

AZORG Aalst, Campus Moorselbaan
Moorselbaan 164, 9300 Aalst, Belgium

Target Group

- Surgeons who already use cIONM and who want to deepen their knowledge
- Surgeons who use intermittent IONM and who want to establish cIONM in their clinic

Course fee

540 EUR (incl. 19% VAT - Germany)

Online registration

To register, please use the booking form on our website:
www.arkana-forum.com

Sponsoring

inomed Medizintechnik GmbH
Value: 1.600 EUR (exkl. VAT)

Conditions of payment/registration

Accommodation and travelling expenses are not covered by the course fee. The registration fee is to be paid 2 weeks in advance - please note that participation is not granted unless payment has been made in full. On receipt of your registration, you will receive a confirmation and invoice by email.

In case of cancellation we will refund the registration fee, deducting an administration fee of 50,00 EUR, if we receive this information not later than 2 weeks prior to the course. We reserve the right to charge participation fee in full, if the cancellation is received later or if the participant does not attend the course.

Data protection is very important to us. The data provided with your registration will be used to inform you on organizational topics of this event and to keep you updated on further courses. Your data will not be passed on to a third party outside the inomed group. In case you do not wish to receive further information, please let us know.
